## Parent Portal

Some work will be graded and recorded in Power School. You have access to your child's grades through the parent portal. If you need assistance accessing the parent portal, please see the office staff.

## Google Classroom

Class code **viryphv**

Google Classroom is our our LMS ( Learning Management System). Your child's **computer login** is his/her lunch Number... **Password** is Wbes1234... To get on Google Classroom- click on **IAM** tab at the top of your screen, Click on Google Apps, Click on the "waffle" 9 dots.. Click on the Google Classroom icon...click on the + sign in the top right corner...select join class... type in our class code, which is **viryphv**

## Homework

If your child did not complete an assignment during the school day, I will ask him/her to take it home and finish it for homework. He/she will be expected to turn it in the next school day. I will give a weekly homework sheet to students on Monday. This review sheet is due on Friday. Your child will receive a weekly grade on this homework sheet. It will consist of vocabulary work and math review problems. In addition to the above homework assignments, students are responsible for memorizing the basic **Multiplication Facts**: If your child does not know his/her basic multiplication facts (0-12), help him/her to master those facts! We will have a multiplication fact test each week. Math will be so much easier for your child if he/she has the facts memorized.
